Financing Condition

Grower Due Date

Payment for all purchases made under the 2018 Americot 0% Finance Program is due on or before **February 15, 2019**. If the account is not paid in full on or before the Grower Payment Deadline, finance charges will be assessed on the Grower’s outstanding balance beginning February 16, 2019. Approval Process

Grower must submit a completed Credit Application and signed Grower Credit Agreement to Americot. Application will be reviewed and an eligibility decision will be made within 10 days of Americot’s receipt of the completed application. Grower will be notified in writing of credit eligibility and maximum assigned credit line, if applicable.

Statements

Once the account has activity, you will receive a statement showing the amount due and the due date. Monthly statements will be mailed until the account has been settled in full.
